This form does not guarantee a reunion with your animal. If your animal is found, there are applicable fees that must be paid before your animal is returned to you. If you are looking on behalf of the owner, you are considered to be the custodian of the animal. Please be advised that you will be responsible for the animal and all applicable fees if said owner does not redeem the animal within the allotted time. If, however, the owner redeems the animal, we will take your name off the animal and put it in the owner's name relinquishing you of all responsibility. Failure to redeem pet will not release the debt owed to the County/City of Riverside.

In the event that you are unable to locate your animal, we strongly encourage you to continue to look for your animal on our website (www.rcdas.org) as well as other surrounding city shelters and/or revisit our facility periodically. - Visit your local animal shelter(s)
- View lost and found animals within the Riverside County Department of Animal Services at www.RCDAS.org.
- If your pet has been missing more than three days you may also want to search our adoptable animals by clicking on View All Animals.
- Make your search broad. You may want to select no preference when searching for size, age, and coloring.
- Searching through the web page should not be considered a substitute for personally coming to the animal shelter and looking for your lost pet.
- You may want to bring any photos, license numbers, or microchip numbers to help in the search for your pet.
