Dog Park Here We Come

Have you ever wanted to walk a dog and couldn't? Where do you walk dogs at the shelter without a someone asking you for help? You're not alone.

John Garcia a 16 year old volunteer and Eagle Scout felt the same way and took the innovative to do something about it.

In order to earn his Eagle Scout badge, Jon contacted the Executive Team and asked if he could meet with them to go over his plans. He had visited several dog parks in the area and had lots of ideas he wanted to share about the fenced in grass area behind the 700 POD. Jon wants our shelter to have a dog park for shelter dogs. Where dogs will be able to walk and play off leash with out fear of getting out and on to Van Buren Blvd. The Executive Team said Yes!
In doing so, Jon will be asking for do-

nations for materials to facilitate his project throughout the community. He took it one step further. He wrote a grant that expressed what a top notch facility we have here in Riverside. But our Animal Shelter still had needs, the

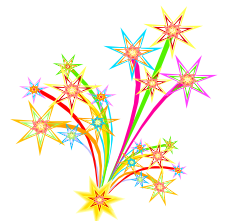

part of that grant. We will be receiving \$5000 from Pepsi to make some of our dogs dreams come true.

This August Jon will be bringing every Eagle Scout, contractor, and donator along with anyone else willing to help into the shelter to kick of the groundbreaking, to be followed by the grand opening of this bit off dog heaven. If you are interested in helping Jon, please contact the volunteer department.

need and importance of allowing the shelter dogs to get out and stretch their paws. Pepsi is giving away millions for funding ideas that refresh communities, education, and the arts. Jon has made it possible for us to be

The key to our success rests in people like you Jon, who embody the spirit of greatness by saying, "Yes I can, and so can you!" Thanks for your inspiring dedication and tremendous example to the world

Volunteer of the Month

Debra Campbell

All proceeds from the sale of
**Riverside County
Animal Shelter**
Spay and Neuter Fund

Debra Campbell's love for dogs has brought her to Animal Services where she takes her job very seriously. She makes sure that every customer is fully informed on what they are getting in these beloved animals; along with the joy and commitment it takes to be a responsible pet owner.

Growing up, Debra lived with her father who was a K9 police officer. Young Deborah enjoyed and learned about animals from the companionship of their family pet. Her dog taught her so much about the work capabilities and love that animals are able to give. She has brought this with her to Animal Services.

In the last 8 months, our shelter animals have been so fortunate to have Deborah Campbell on their side. She comes in every other Saturday from opening to closing with her lunch, water and snacks ready to go so she doesn't leave and miss an opportunity to get the dogs, rabbits or cats adopted. She has volunteered over one hundred hours to finding bona fide loving homes for our homeless pets.

Debbie has worked special shelter events and evening shot clinics with great determination and vigor. Along with her true passion for adopting out any animal that comes through the shelter doors, Debra has combined her other passions of art by making T-shirts that she sells at events and at our shelter. One hundred percent of their proceeds go to spaying and neutering Riverside Shelter animals. Debbie is ready and raring to go with two more T-shirt designs to be unveiled as soon as she is sold out of the original design shown here be one of those select few who are lucky enough to get in on the first addition Spay/Neuter T-Shirts. For those of you who don't have the time to volunteer, you can give back to the animals by picking up one of these T-shirts at the front lobby Kiosks Desk for only \$25.

Deborah's passion for the animals, and all of her hard work has made her volunteer of the month. She is unstoppable,

Thank you Deborah for being an outstanding volunteer!
