## Voices

We did more adoptions again at "The River" this year than we did at the "Loving all Animals" big event last month.

On Saturday we found forever homes for 24 dogs and on Sunday we found forever homes for 14 dogs.

We all had a blast and the staff and volunteers did a great job. A special thank you to Marisa and Rene who gave up both of their days off to help out and to all of the volunteers.

Carol had posters made up and they were set up throughout the entire mall. She also ran an ad in The Desert Sun for a few days. We received lots of donated goods for the animals and a donation of about \$200.00

Once again, it was a great event. We are looking forward to next year.

Thank you,

Deanna Burnett, Shelter Supervisor
